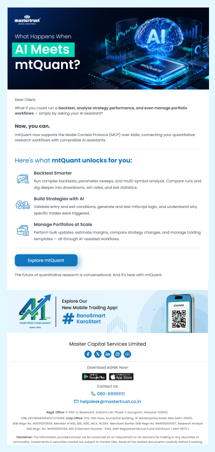
For mailer

- Mailer Dimensions: Keep the mailer width fixed at 700px. The height can be adjusted based on the content requirements.
- Banner Design: Design the first banner using either a dark theme with blue gradients or a light theme with white or ivory tones, ensuring a clean, modern, and premium look.
- Header Placement: If the mailer content does not include a preheader and begins directly with "Dear Client," do not add a separate header section.
- Design References: Refer to the sample designs shared below for visual inspiration and overall design direction.



What Happens When
AI Meets
mtQuant?

Dear Client,

What if you could run a **backtest, analyse strategy performance, and even manage portfolio workflows** — simply by asking your AI assistant?

Now, you can.

mtQuant now supports the Model Context Protocol (MCP) over stdio, connecting your quantitative research workflows with compatible AI assistants.

Here's what **mtQuant unlocks for you:**

Backtest Smarter
Run complex backtests, parameter sweeps, and multi-symbol analysis. Compare runs and dig deeper into drawdowns, win rates, and exit statistics.

Build Strategies with AI
Validate entry and exit conditions, generate and test mtScript logic, and understand why specific trades were triggered.

Manage Portfolios at Scale
Perform bulk updates, estimate margins, compare strategy changes, and manage trading templates — all through AI-assisted workflows.

Explore mtQuant

The future of quantitative research is conversational. And it's here with mtQuant.

Dear Client,

Your trading account is currently dormant — but there's more waiting for you when you reactivate.

With **mtVault**, you can invest in curated stock baskets that are designed by **SEBI-registered Research Advisors,** without the hassle of picking and tracking stocks one by one.

Why mtVault?

Curated baskets: Explore portfolios built around themes such as Defence and emerging sectors in India.

Stocks in your Demat: Ownership remains with you, as stocks are directly reflected in your demat account.

Portfolio rebalancing: Baskets are rebalanced by SEBI-registered RAs as market conditions evolve.

Reactivate your account and for a limited introductory offer, selected mtVault baskets start at just ₹1 per quarter.

It's
SIP O'Clock!

Every **first Wednesday** of the month

Big Opportunity, Bigger Impact — Let's Drive SIP Growth!

Mutual Fund SIP takes center stage as our Product of the Day, spotlighted exclusively on the 1st Wednesday of every month. It's the perfect window for RMs to deepen client conversations, build long-term investment habits, and turn engagement into lasting portfolios.

Eligibility:

SIPs only
₹1,000 Minimum SIP/month
1 year Minimum Tenure

SIP Login Day:
Every 1st Wednesday of the Month

Let's focus on connecting with clients, highlighting the benefits of SIPs, and ensuring smooth onboarding through MT Wealth.

Eligibility Criteria for SIPs:

- All SIP executed **two days before and two days after** will be considered.
- SIPs in only Upfronting recommended **mutual funds** will be considered.
- Minimum SIP amount: **₹1,000 per month**
- Minimum SIP duration: **1 year**
- All SIP activations will be processed exclusively through the **MT Wealth platform.**
- The activated client should be mapped to the **RM/dealer** for successful activation count.
- **TPP Entry is mandatory** for all applications logged in physical mode.
- BM/TL should share MIS with their **vertical head on RM/Dealer wise call made vs target, SIP closed, amount invested, no. of clients participated** and other data points. Format will be shared with Vertical Heads.
- **No SIP** will be considered in self name or family.

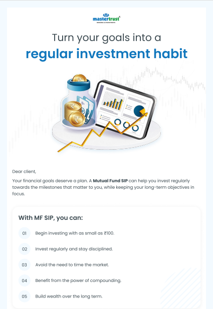
Talking Points For Clients:

01 SIPs help you **invest systematically** without timing the market.

02 Starting with **just ₹1,000 a month** can build significant wealth over time.

03 **Volatility works** in your favor through rupee cost averaging.

04 A 12-month SIP is an **easy, committed path** toward your financial goals.



Turn your goals into a
regular investment habit

Dear client,

Your financial goals deserve a plan. A **Mutual Fund SIP** can help you invest regularly towards the milestones that matter to you, while keeping your long-term objectives in focus.

With MF SIP, you can:

01 Begin investing with as small as ₹100.
02 Invest regularly and stay disciplined.
03 Avoid the need to time the market.
04 Benefit from the power of compounding.
05 Build wealth over the long term.
